# RANGER ROUND UP

## From the Principal's Desk

As we prepare for the weather to change and make our way into this winter, we have some reminders for parents and students regarding a few procedures and expectations. First, please make sure that students have their ID with them each day and that they are wearing it so staff can see it. Kids will begin wearing winter coats and more layers and it's important that their ID is visible to enter the building and that it is worn throughout the day. The next key reminder is regarding students arriving at school on time. Please plan ahead as the weather begins to deteriorate. We find that during inclement weather, more students are driven to school, creating longer waits with traffic. We will do our best to move the lines along and we appreciate everyone's cooperation as we work together to get our kids into the school.

The final reminder is regarding our drop-off and pick up procedures around the building. To keep our students safe, be respectful of our neighbors, and move traffic efficiently, please follow these driving procedures:

### **Drop- Off Procedures**

1. Leave early, especially during inclement weather. Students should enter the building before 7:50 a.m. We open doors at 7:15 and there is less traffic earlier in the morning.
2. Students being dropped off at school should be in the front of the building in the far-right lane of the Franklin drive-through. - please avoid the south parking lot behind the building and the Rec parking lot.
3. Only students arriving in the school vans and students with disabilities are permitted to use the south side of Robinwood behind the school. Students may walk down Robinwood to enter the rear of the building.
4. Students should never be dropped off on Robinwood or neighboring streets, and cars are not permitted to turn around in the residents' driveways. Robinwood is a permit-only street which may result in traffic tickets for those not in compliance. This is also dangerous and not respectful of our neighbors' property.
5. Set expectations that when the flow of traffic stops in the driveway, students should exit the car at that point and walk to Door 32. This is extremely helpful in moving the line faster and will move you through the drop-off sooner.
6. Be prepared to unload and load quickly. The faster we exit the car, the faster we all move forward.

7. Please be patient. In general, it takes less than 30 seconds for cars to unload and begin to pull out of the lane. Waiting patiently is far better than creating a situation where a student could be injured.
8. Be kind and respectful to all of our drivers.

#### **Pick Up Procedures**

1. All cars picking up students will line up in the front of the school in the Franklin drive-through.
2. Cars should not pick up by the gym doors or rec entrance.
3. Cars should not pick up in the back of the school on Robinwood or neighboring streets. In addition, cars are not permitted to turn around in the residents' driveways. This is dangerous and not respectful of our neighbors' property.

Thank you for making the effort to revisit these policies and keep them in mind as we turn the corner into the winter months.

Happy November parents, teachers, staff and students!

The leaves are in full autumn glory and the transition into Winter Sports is here. As well, Election Day is fast approaching on Tuesday, November 8<sup>th</sup>. We should never take our democratic freedom for granted and it will only continue to survive by being informed about all the candidates running, what they stand for and believe in and then selecting them on and submitting a ballot. Once you are 18 years old and registered- you now have a voice.

We also have the wonderful Thanksgiving holiday to look forward to later this month. It is a great time to reflect on all that we have to be thankful for as well as thinking about what we can do to give back to others who are less fortunate than ourselves. **Kindness really does matter.**

**Our current LHS PTA Membership Chairperson has just resigned, and so if anyone is interested in filling this position as soon as possible, please email me at my email address listed below. These positions are volunteer.**

Our next **PTA meeting** is **Wednesday, November 9<sup>th</sup>** at **7:00pm** in the Ranger Café.

Thanks and Go Rangers!

Kind regards,

Adrienne M. Simons, PTA President

### *Helping Your Child Through Crises*

#### **Dr. Pamela Cantor**

Since the start of 2020, it feels like we've experienced—or witnessed—one crisis after another. How should we talk with our children about these challenging topics—and how can we cope with them ourselves? We interviewed Dr. Pamela Cantor, founder and senior science advisor at Turnaround for Children to get her advice. She shares how relationships, routines and resilience can help us traverse these tumultuous times.
